

The background of the page is a complex, repeating geometric pattern of blue lines. The pattern consists of multiple parallel lines that form a series of nested, interlocking shapes, creating a sense of depth and movement. The lines are arranged in a way that they appear to recede into the distance, forming a series of 'V' and inverted 'V' shapes that create a 3D effect. The overall color scheme is a vibrant blue on a white background.

Arcadia

The factories detailed here are Arcadia Group's suppliers' production sites.

All our suppliers must comply with our Code of Conduct which forms part of our Conditions of Trading. The Code applies to the supplier, manufacturer and any other person involved in supplying goods to our brands.

Tier	Description
Supplier	The company that we buy from, which can sometimes be the same as the Tier 1 Manufacturer.
Tier 1 - Manufacturer	Where the final product is manufactured.
Tier 2 - Processor	Where secondary processes like printing or washing are undertaken.
Tier 3 - Mills and Tanneries	The manufacturing sites that produce the components of our products.
